

2298

The diagram shows a floor plan with two rooms. Room 2298 is a long, narrow rectangular room at the top. Room 2297 is a larger rectangular room below it, with a semi-circular protrusion on its left side. The rooms are connected to a common hallway on the right. The walls are drawn with thin black lines, and the numbers 2297 and 2298 are written in pink.
