1 The color samples shown are not the actual paint. These paint colors represent the production colors as closely as possible within the limitations of color-chip reproduction.

2 Additional charges may apply to exotic colors that require a clear topcoat, metallic colors, custom color matches

* Color variation is inherent in, and should be expected with Mica/Ultra-Escent II paint finishes. Laboratory-prepared samples will appear different from production-run material.
Your EFCO representative has the knowledge and experience to assist you with finding the best selection of paint and coatings. For more information visit www.efcocorp.com, or call EFCO at 1-800-221-4169.
